Testimonials

“The indoor-outdoor freedom my dog has during the day to do what she wants, the opportunity to socialize with the other dogs (with fenced protection between them), and her safe-keeping at night keeps me worry-free...”

Annette

“My husband and I knew from the start that we liked BYD Ranch & Kennel and Miriam. We visited the kennel and were immediately impressed with the cleanliness of the facilities and how she interacted with the dogs. Our Basset Hound, Daisy, can be very ‘vocal’ when we are leaving, and it cracks us up how Miriam howls along with her!!”

Kelly and Jay

“Miriam is obviously dedicated to her work and was extremely friendly...”

Ashley

“Although it costs more than many kennels, we continue to use BYD Ranch & Kennel because our dog gets such good care there. When we bring him home after a 7 to 10-day stay, he is always clean, relaxed, well-fed, and happy.”

Carol

“With the size and breeds of our three boys, we are pretty particular about who keeps them. We have always been more than happy with the service, care, and results received at BYD Ranch & Kennel.”

Jeff

“I have always felt confident that Miriam not only takes care of our dogs, but cares for them and their well being. I feel so lucky to have found BYD Ranch & Kennel because it gives me a real peace of mind when I am traveling and have to leave my children (puppies) at home.”

Lauren

“I will continue to be a satisfied customer.”

R.

“My two dogs are very lovable, but can be quite a handful. BYD Ranch & Kennel knows just how to handle large and demanding dogs in a very positive and loving manner.”

Donna

“Miriam really takes the time to get to know the dogs' personalities and loves them as if they were her own. I would recommend Miriam and BYD to anyone!”
